## Is a coach tour for me?

- **Touring by coach** is a very enjoyable way to appreciate foreign countries, particularly for those with a limited time frame.
- **Every tour** is guided by a professional, multilingual guide.
- **Safety.** Travelling in a group can not only be a lot of fun, but you can feel safe at all times as you are travelling in numbers and are accompanied by your guide during your guided visits.
- **Travelling Alone.** It can not only be a lonely experience, but also a very expensive one! Touring by coach opens up opportunities to meet people of all ages, from all cultures and share the unique experience of new places with them.
- **Group Size.** While this greatly depends on the time of year and tour chosen, the groups can be from 10 and up to 55 people in size.
- **Regular and Guaranteed departures** so that you can be sure that when you book your tour, it will go ahead - guaranteed!
- **No Hassle!** One of the great benefits of touring by coach is that all your accommodation and transport is organised.
- **Free time.** As most of the days are spent sightseeing, some free time is available but is limited and depends on the specific tour.
- **Professional Local Guides** so that you don't miss out on anything in the major cities and towns.
- **Coaches** are fully air conditioned and have panoramic windows and reclining seats. While they do not have on board toilet facilities, all tours will make frequent rest stops.
- **Accommodation** is in tour hotels that are chosen for their reliability and service. The star ratings correspond to the legislation of the corresponding countries.
- **Meals** are included on most of the tours. This takes the worry out of choosing, but there are also plenty of opportunities available on the tours to head out and sample the local cuisines on your own.
- **Affordable.** Travelling in a tour is a very economical way of travelling and allows you to save that extra cash for shopping!
